

**Rexroth**  
Bosch Group

**EXPLORING™**  
DISCOVER YOUR FUTURE

# Explore a Career in Advanced Manufacturing and Technology!

- Bosch Rexroth's Charlotte, NC location is home to the company's North American Corporate Headquarters, as well as its Linear Motion and Assembly Technologies product division.
- Products manufactured in Charlotte include high-precision components and systems for single and multi-axis robotic systems and for programmable flexible assembly and production conveyors.
- Bosch Rexroth offers its customers hydraulics, electric drives and controls, and linear motion and assembly technology all from one source.
